

## PARENT AGREEMENT FOR STUDENTS ENROLLED ON SUMMER COURSES

### For students on Junior Courses (age 9 - 15)

#### I understand that:

1. The Parent authorises the College nurse to provide the Student with non-prescription medication for minor ailments or injuries and may, with good reason, decide to refer my child to a doctor or hospital for medical tests or treatment if he/she is unwell; and may even send him/her home if unable to continue with the course.
2. The Parent agrees to the participation of the Student in all elements of the Course including the full education programme and the full programme of activities and excursions.
3. Students will have access to their mobile phones and personal IT devices, however this may be restricted in the event of misuse. Access to WiFi is available during the day, however it will be unavailable between 10.15pm – 7.00am.
4. Students between 13 – 15 years old may be offered some limited unsupervised free time during offsite excursions.

For more information about what to expect from the Junior summer course please visit the St Clare's Junior Summer Zone [here](#).

---

### For students on Teenager Courses (age 15 – 17)

#### I understand that:

1. Students are expected to participate in all elements of the course including the full education programme.
2. The Parent authorises the College nurse to provide the Student with non-prescription medication for minor ailments or injuries and may, with good reason, decide to refer my child to a doctor or hospital for medical tests or treatment if he/she is unwell; and may even send him/her home if unable to continue with the course.
3. The Parent agrees that if the Student is aged 15 - 17 years old attending courses for Teenagers they will enjoy considerable freedom and independence during their free time until 23:00 each day. They can, for example, go into Oxford city centre unsupervised taking public transport. The student is required to keep their houseparent/homestay provider fully informed of their whereabouts outside of scheduled classes. Some additional measures may be put in place, from time to time, that restricts this level of freedom if the College deems it to be necessary.

For further information about the expectations of teenagers on summer courses at St Clare's please click [here](#).

## For 17 year old students on Adult courses

### I understand that:

1. Students are expected to participate in all elements of the course including the full education programme.
2. The Parent authorises the College nurse to provide the Student with non-prescription medication for minor ailments or injuries and may, with good reason, decide to refer my child to a doctor or hospital for medical tests or treatment if he/she is unwell; and may even send him/her home if unable to continue with the course.
3. 17 year old students attending adult courses will enjoy considerable freedom and independence during their free time until 23:00 each day. They can, for example, go into Oxford city centre unsupervised taking public transport. The student is required to keep their houseparent/host family fully informed of their whereabouts outside of scheduled classes. Some additional measures may be put in place, from time to time, that restricts this level of freedom if the College deems it to be necessary.
4. 17 year old students will come into regular contact with other students over the age of 18 in class and during the leisure programme. This means that he/she:
  - a. May use course content and materials appropriate to this age group.
  - b. May need special provision on excursions, visits and other activities organised by the college (such as not having access to activities suitable only for students aged 18 and over and be subject to additional supervision).
5. 17 year old students are not permitted access into the adult student residence without supervision from a member of St Clare's staff.
